AREAS OF INTEREST SOME OF YOUR MOST IMPORTANT NEEDS

Here you'll find types of work you'd love, the hobbies that would captivate you, the activities or interests that bring real pleasure and fulfillment. The Areas of Interest Report shows to what degree you share common interests with most others in various occupations. The area where there is a high correspondence indicates areas that offer either work you'd be likely to enjoy, or activities you'd particularly appreciate.

Interest doesn't relate to talent or skill. You could, for example, really enjoy and value music without being a musician, or have a deep interest in science even without personal capabilities in the field. When your interest in any area is high, it can be a strong motivator. Fulfilling your interests is a key to both a successful career and a satisfying lifestyle.

The colored bars featured in several report formats, including the Areas of Interest Report, indicate various individual styles or composites of styles described through The Birkman Method[®]:

Red - Expediter

Green - Communicator

Blue - Planner

Yellow - Administrator

AREAS OF INTEREST

DEFINITION

Social Service

Organized assistance and services to support and advance social conditions of the individual and community through social programs, agencies and organized religious involvement.

Persuasive

Persuasive interactions with others. Motivating others to accept ideas, actions or opinions through means of persuasion, reasoning or argument.

Numerical

Combining numbers analytically and factually to arrive at practical, quantitative conclusions. Utilizing numbers in business bookkeeping, accounting and tax procedures.

Mechanical

Hands-on work with a broad range of technical responsibilities from power-driven machine operations to high tech electronics. Interests may include design, maintenance, operation or repair of motors and machinery, power-driven or automated.

Artistic

Creating imaginative works of aesthetic value, expressing ideas artistically. Working or performing in the visual arts.

Musical

Involvement with music in its many forms. Interests may include melodies, compositions, attending concerts, supporting the musical arts, or simply appreciating music. Professional musicians would be expected to have a high degree of this interest.

AREAS OF INTEREST

Clerical

Being involved in administrative positions including recording, data processing, numeric detail and personnel functions that require predictable results and specific controls.

Scientific

Involvement in professions or avocations that assist others through research. Occupations in health services, technology and medical paraprofessionals, nutritional or pharmaceutical services involving scientific interests.

Outdoor

Hands-on work in an outdoor or natural environment. These activities can include physical or mental exertion outside of office confines. Some individuals score high because of environmental concerns.

Literary

Creative interest in writing and in sophisticated language skills. Indicates appreciation for abstract ideas conveyed in various mediums and materials.
